### Description:

This is an Americorps VISTA project. Americorps Volunteers in Service to America a paid volunteer internship where a member spends one year in full time service to the needs of low-income communities. All projects focus on building permanent infrastructure in organization to help them more effectively bring individuals and out of poverty

This particular project's goal is to help Big Brothers Big Sister Columbian NW (BBB) recruit volunteers and children for their community based and school based program. Research has shown that children in the BBBSCNW program are more likely to stay in school and communicate with their parents and less likely to start using drugs or alcohol. In this position the VISTA will be responsible for recruiting an average of ten new participants during their year of services.
